

A New Standard in Conscious Craftsmanship.

Sustainable accessories made with care,
crafted for brands redefining luxury.

Elevate your brand by Orva, a pioneering material that seamlessly blends luxury aesthetics with sustainable, petroleum-free production, crafted from the finest botanical material.

Our Story

Redefining Accessories for a Sustainable Future.

Our innovative material, by Orva, transforms every product into a symbol of conscious living. Designed for durability, elegance, and minimal environmental impact, it reflects a story of transformation and care for the planet.

Orva, we blend innovation, sustainability, and craftsmanship to create timeless products for conscious brands worldwide.

From sustainable sourcing to carbon-neutral manufacturing, our commitment ensures every product contributes positively to the environment without compromising on luxury or quality.

Mission

To empower brands with responsibly crafted, humanely made accessories that reflect modern luxury and ethical craftsmanship, while contributing to the upliftment of underserved communities.

OEM Precision

We specialize in bespoke manufacturing solutions, ensuring every product aligns perfectly with your brand identity.

Vision

To lead the global shift towards sustainability in accessories, inspiring brands to embrace innovation and ethical practices for a better tomorrow.

Certifications You Can Trust

OEKO-TEX, FSC, REACH (SVHC), SEDEX & SA-8000 ensuring quality and sustainability.

Orva

A revolutionary botanical-based material that's petroleum-free, biodegradable and luxurious to touch. (0 Fossil Fuel)*

What sets Orva apart

Environmental compatibility: Our botanical-based material is kind to the planet, decomposing easily and naturally.

Water Stewardship: Engineered to minimize water waste and environmental impact.

Scientifically Validated: Verified through rigorous scientific testing and evaluation.

Petroleum-Free Solutions: In harmony with nature, crafted with care bio-based.

Durable and Timeless: Designed to last, ensuring longevity without compromising on elegance. Breathable and easy to care for, this material can be dry cleaned for a hassle-free maintenance.

Optimized Manufacturing Process: High-Precision Manufacturing for Uniform Quality and High-Volume Output.

A Collection Designed to Inspire.

Every accessory in our collection is crafted with precision using Orva, offering a balance of elegance and sustainability. From fashion essentials to hospitality accents, our versatile designs can be tailored to reflect your brand's unique identity.
